

## **After School Club**

St Joseph's School runs our own in-house After School Club. We provide after school care in a safe and caring environment, with a wide range of opportunities for play and relaxation. Most of our staff work in St Joseph's during the school day which promotes a sense of familiarity and continuity for the children. Our after school club (ASC) is located in Gen's Room, within the school building. We have up to 26 regular places available per day. ASC is very popular and we are currently full most days.

### **We are open:**

Monday-Thursday 3.00pm – 5.45pm

Friday 2.45-5.30pm

### **Cost:**

£9.00 per session

One-off annual administration fee of £10 per family

### **A typical ASC session**

Children are collected from class and are registered. We run various activities including: outdoor games/play (weather permitting), indoor crafts, board games, role play and occasional computer time in the ICT suite. Around 4.00pm we provide a snack and drink (consisting of sandwich, fruit, milk or water). After snack-time children resume activities. Children can be collected at any time.

Please see our ASC Policy Terms & Conditions below.
