

English

We will be continuing to read *The Silver Sword*, which fits with our World War 2 topic. The children will be developing their writing skills, looking at more formal writing.

Science—Light

Recognise that light appears to travel in straight lines. Use the idea that light travels in straight lines to explain that objects are seen because they give out or reflect light into the eye. Explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes.

PE will take place on Monday and Tuesday. Tuesday will be Gymnastics with our visiting coaches from Bristol Sport.

Religious Education

Sacraments—exploring our role in the church.
Lent—looking at the parable of Lazarus and also revisiting the Beatitudes.
Our multi-faith element will look at Judaism.

St Joseph's Year 6 Term 4

French

Continuing their learning from Term 3.

Maths

We will be looking at algebra and measurement. Recapping area and perimeter as well as tackling problems involving the conversion of unit of measurement.

Maths Homework

MyMaths and Time Tables Rock Stars. Times tables are so important for accessing other areas of the Year 6 maths curriculum.

- Mymaths will be set weekly.

Geography

How we effect our landscape

PSHE – Healthy Relationships. Managing our relationships and keeping them positive. Challenging stereotypes and discrimination.

ICT

Computer aided design.
We will be using Google SketchUp to design our own Anderson Shelters.

HISTORY

World War 2—In class we will be thinking about how the children of the time were affected. We will also be going on a visit to the M-Shed to carry out a workshop as evacuees.
