### ARETÉ OPEN EVENING

Yesterday, we were delighted to welcome nearly 400 guests to our Areté Sixth Form Open Evening. Miss Kirkbright, Director of Sixth Form, hosted a question and answer session with students, who gave an honest and frank insight into why they chose St. Bede's, and their opinions on what is offered to them here, both academically and beyond.

Mr Maher, Principal, said: 'Areté was relatively new a few years ago, however, as a result of the commitment of a hardworking and dedicated staff, results here stand up to scrutiny against the very best in Bristol. There is no glass ceiling in Areté. We want our young people to go out into the world confident in who they are and truly living up to the name and being the very best that they can be.'

The deadline for applicants is **7th January 2020** and application forms can be obtained from the sixth form reception or from our website. Any internal candidate that secures the required grades is guaranteed a place.

It is clear from the turn out on the evening that Areté will again be at full capacity in September 2020. We look forward to welcoming our new cohort. Any enquiries can be emailed to [sixthform@stbcc.org](mailto:sixthform@stbcc.org).

With only 100 places available for September 2020 it is important that applications are received on time, but also that pupils work hard this year to secure the exam results to meet the entry requirements of 5 grade 5 GCSEs with minimum of grade 5 in both English and Mathematics.

### REFLECTION – 24 October – Feast of St John Paul II

**This week we celebrate the feast day of St John Paul II.** St John Paul II was Pope from 1978 until 2005. He was the second longest-serving pope in history. Originating from Poland, he was the first non-Italian pope in 455 years.

He travelled more than any other pope before him, visiting many of the countries of the world, including the UK in 1982. He is also famous for starting the annual World Youth Day.

**Reflection:** "The future starts today, not tomorrow." Quote from St John Paul

**Prayer:** Oh, St. John Paul, from the window of heaven, grant us your blessing! Bless the Church that you loved and served and guided, courageously leading her along the paths of the world in order to bring Jesus to everyone and everyone to Jesus. Bless the young, who were your great passion. Help them dream again, help them look up to the heavens again to find the light that illuminates the paths of life here on earth. Amen

## 2019 WORLD WAR BATTLEFIELDS TRIP TO YPRES SALIENT AND THE SOMME

At 5.30am on Thursday 10th October, 41 excited Year 9 pupils and 4 staff set off on their tour of the First World War Battlefield sites.

We visited the fascinating In Flanders Field Museum and attended the moving ceremony at the Menin Gate.

On day two, we toured the Somme area and held our own ceremony, laying a wreath at Thiepval in memory of those who sacrificed their lives in the First World War. Our First World War experience was tied together by a visit to Tyne Cot cemetery and the German cemetery at Langemark, before our final stop at Passchendaele Memorial Museum.

### BATTLEFIELDS TRIP 2020

Letters will be available at the start of Term 2 to Year 8 for next year's Battlefields Trip. A copy is also available on our website. If you would like any further information, please contact Mrs Lewis.

## EXTENDED PROJECT QUALIFICATION PRESENTATION

On Wednesday 16th October we were delighted to welcome back to St. Bede's Catholic College former Areté students Ethan Osborn-Clark and Lily Woodland. Ethan and Lily, who both now study at the University of Bristol, delivered a presentation to our Year 13 students studying the Extended Project Qualification (EPQ)

The EPQ is a Level 3 course which can provide up to 70 UCAS points. It involves choosing a topic, carrying out research, then creating either a 5,000 word report or a 'product' plus a 1,000 word report and a presentation.

The advice, hints and tips provided by Ethan and Lily were invaluable to our students. Our sincere thanks for giving up your time and sharing your knowledge.

## COMMONWEALTH JUDO CHAMPIONSHIPS

Congratulations to Areté student **Finley Norton** and **Alfie Norton** in year 9 who represented England in the **Commonwealth Judo Championships**, held in Birmingham recently.

The boys participated in several fights and their coach was delighted with their performances. Mr Johnson said "I am very proud to have such talented individuals in Bell Burnell House. It is an amazing achievement to represent your country and perform at that level, congratulations."

Thank you Fin and Alfie for allowing us to print your photograph.

## CHINA TRIP

Some of you may be aware that Mr Maher went to China late last year to set up a Sister School Partnership for St. Bede's. The partnership will provide opportunities for amazing cultural activities including the chance to take pupils to China for an immersive visit to our sister school in Guangzhou.

We are hoping to take a group of pupils (current year 7-10) to China in October 2020 and would like to ask for an expression of interest from parents. An information evening regarding the trip will take place on Thursday 7th November at 5.00pm in the Dance Studio. ## EUROPEAN BATON TWIRLING CHAMPIONSHIPS

Congratulations to year 9 pupil **Amelie Loud** who recently competed at the N.B.T.A **European Baton Twirling Championships** in Italy. Amelie, who has been baton twirling for 6 years said: "Although I had competed at the European championships before I was really nervous. Once the competition started though that feeling goes and it was amazing. I finished second out of 7 countries and tried my best."

A wonderful achievement, well done Amelie!

Amelie, thank you for letting us print your photograph

## GCSE LANGUAGES

Any year 9, 10 or 11 pupils who speak another language fluently and wish to be entered for GCSE in a language other than French or Spanish, must give their names to Mrs Owen by 15th November. Similarly, those fluent in French or Spanish who wish to take their GCSE this year but are not in the GCSE classes must also give their names to Mrs Owen.

## EPQ TRIP TO UWE LIBRARY

On Wednesday 23rd October, 31 EPQ students travelled to the Frenchay campus of the University of the West of England to visit the library. They were given a tour of the 5 floors of the Frenchay campus library, joined up as external borrowers and given full access to the online and physical resources of the library. They were shown how to search for resources for their EPQ and they were allowed to borrow the books or download the material that they found.

This was an extremely beneficial trip as it taught them skills which will be invaluable in further education and provide them with high quality resources to enhance their own project.

## DRY SKI SLOPE SESSIONS

The remaining dry ski slope training sessions are now full. Please do not contact the ski centre directly as they are unaware of our staffing ratios or ability groups.

## CONSULTATION ADMISSIONS POLICIES

Our cluster primary schools are consulting on their proposed admission arrangements for the 2021-22 academic year. Please contact the primary schools direct for further information.

## **SAFEGUARDING SPOTLIGHT**

### **Firework Safety Advice**

#### **Be safe not sorry**

Having fireworks at home can be great fun, as long as they are used safely. If you're putting on a home display, following some simple steps can make sure that everyone has a good time without getting hurt.

#### **Where to buy**

Don't cut corners just to save a few pounds. Always buy fireworks from a reputable shop to make sure that they conform to British Standards. This means that they should have BS 7114 written on the box.

#### **Sparkler safely**

Did you know that sparklers get five times hotter than cooking oil? Sparklers are not toys and should never be given to a child under five.

#### **Setting them off**

Only one person should be in charge of fireworks. If that's you, then make sure you take all the necessary precautions. Read the instructions in daylight and make preparations in advance, and in daylight.

On the night, it would be useful to have:

A torch

A bucket of water or hosepipe

Eye protection and gloves

A bucket of soft earth to put fireworks in

Suitable supports and launchers such as 'rockets' or 'Catherine wheels'

#### **Fireworks The Law**

You can't buy 'adult' fireworks if you're under 18, and it's against the law for anyone to set off fireworks between 11pm and 7am, except on certain occasions. These include:

Bonfire Night, when the cut off is midnight

New Year's Eve, Diwali and Chinese New Year, when the cut off is 1am

The law says you must not set off or throw fireworks (including sparklers) in the street or other public places.

#### **Buying fireworks**

You can only buy fireworks (including sparklers) from registered sellers for private use on these dates:

15 October to 10 November

26 to 31 December

3 days before Diwali and Chinese New Year

At other times you can only buy fireworks from licensed shops.
